14 odgovora

Do you and your family now have a better idea of traditions of Croatia, France, Poland, Portugal, Romania and Turkey?

14 odgovora

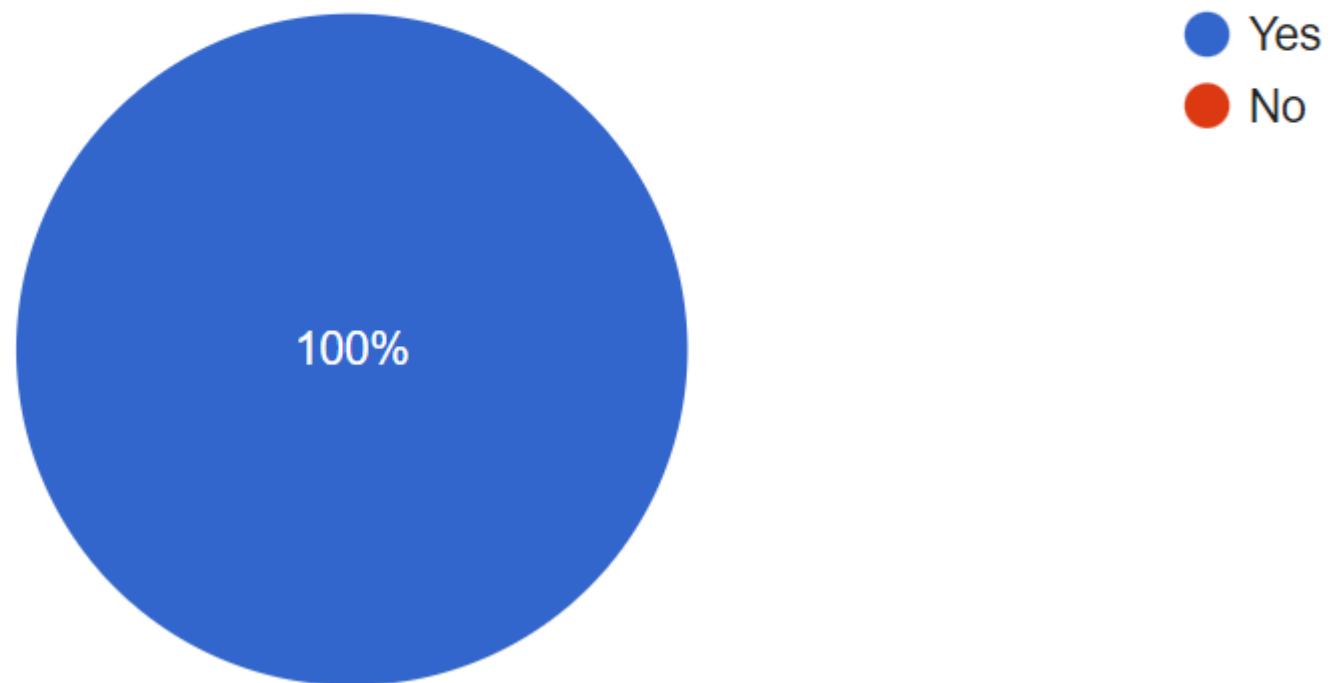

Participation in the project made possible...

14 odgovora

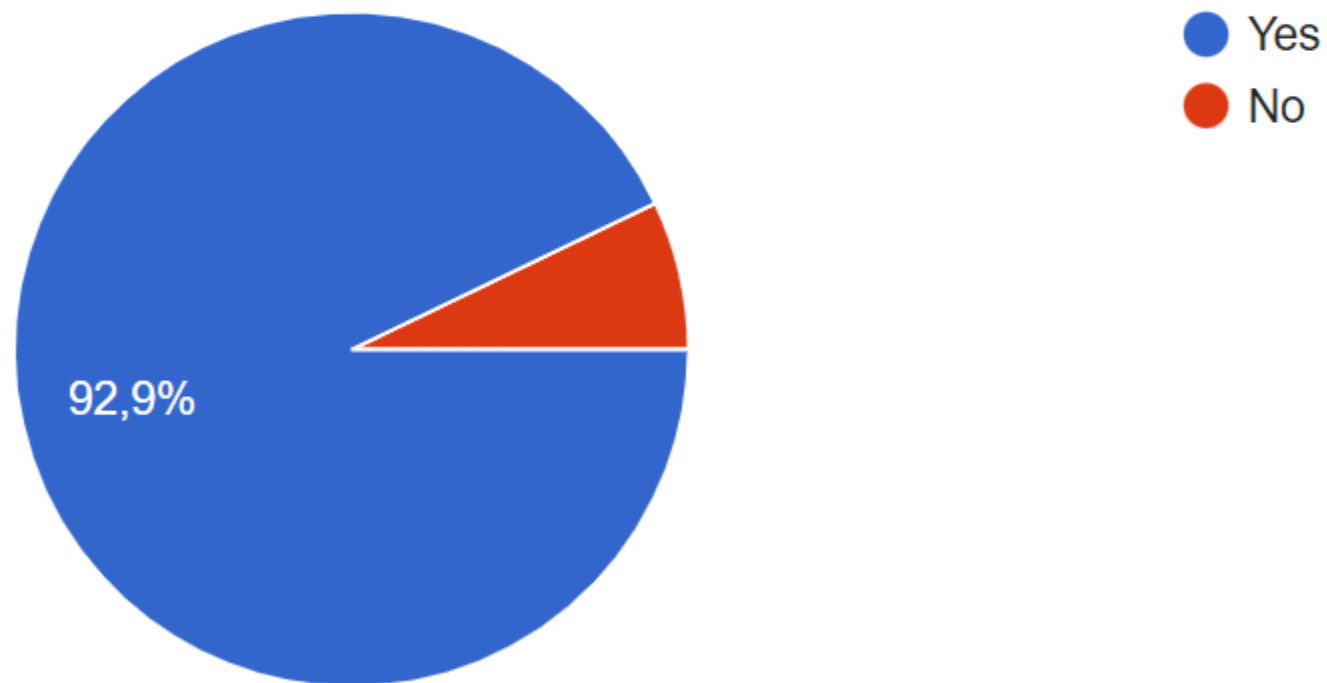

I am proud of my child and his/her participation in the meeting.

14 odgovora

Would you host a foreign student in your family if you had the opportunity?

14 odgovora

If you have any other comments, please share them here.

4 odgovora

I have nothing to add.

no

I really enjoyed this great experience. I discovered the culture of Croatia.

I think that a project like this is essential in the lives of young people because it is an activity where you will practice a foreign language, get to know other cultures and new people!
