Do you have any advice/comments concerning activities and organisation?

- Everything was perfect!
- I am impressed by the hospitality and kindness shown by the host school. I got to know very well the Turkish culture in Aegen Region. Thank you!
- Everything was fine except free time we had after we finished with all activities.
- Presentations of students should be done after a few days of communication and spending time together. They felt less nervous in presentations on the fourth day.
- All activities were very productive and well organized both for students and teachers.

I would like to participate in other similar activities in the project.
